is the superintendent of the building and grounds, acting under instructions from This is due to us as United States has Almost simultaneously fire broke out in the capitol commission composed of built most territorial capitols. Almost simultaneously fire broke out in the attic at the base of both domes on time capitol building, about 8 of clock has night, and to-day the main walls of this once handsome public structure are in rains, a sad calanity both for the capital city and New Mexico.

About 8 of clock passers by on Don Gaspar avenue scented a peculiar odor in the art and suggested that something was on fire. A few minutes later smoke was seen issuing from the eastern base of the south dome and a flicker of light was apparent. The cry was soon raised and young Brown, whose home is near, ran to the fire station and the attic at the base of both domes and the date at the base of both domes and states that he left the building last even ing at about ten minutes past 6, lecking all the doors, but leaving Auditor Percz at work in his office. At about 7 of clock having at about ten minutes past 6, lecking all the doors, but leaving Auditor Percz at work in his office. At about 7 of clock having at about ten minutes past 6, lecking and all personal effects, having nearly the capitols.

Spiegelberg and Dr. R. H. Longwill. He states that he left the building last even ing at about ten minutes past 6, lecking all the doors, but leaving Auditor Percz at work in his office. A visit to the capitol grounds to day walls are in place the west door to admit U. S. convict family and all personal effects, having nearly the deficient hand a bit of generosity on behalf of the band as but of generosity on behalf of the band L. Barazone Pruscs.

pressions of sadness as the cruei flames leaped about the noble columns, licked through the stained glass windows and circled about the richly carved cornices, presenting to view a sublime picture of the capitol about 8 o'clock. When he arrived he told the convict to go up stairs and turn on the water. He saw no soldiers at that time.

Summing up, it seems from the above Governor Prince, Secretary Thomas, that this configration originated almost tional precaution to slit the hose on the upper floor in such a manner as to render

OFFICIAL INVESTIGATION.

An official inquiry will be instituted to capitol commission. nected with the control of the building ascertain particularly the facts in relation to the mysterious individual above referred to and the status of the water service. At this writing it appears that the city water company is not to blame, for while the capitol service pipe was of little use, the company's water mains, one block distant, showed by actual tests made last hight that the pressure was 132½ pounds to the square inch. The following ex-

The capitol custodian committee will institute inquiry to morrow, Saturday, morning at 10 o'clock, at the office of the secretary of the territory, in the palace, for the purpose of calling out all the facts in regard to the origin of the fire at the capitol and the failure to extinguish it. All persons having knowledge on this subject, and others desiring to elicit facts

B. M. THOMAS,

THE STRUCTURE. The capitol was erected in 1885 at a total cost of \$250,000 including the furniture,

and it is a notable fact that is was the only institution of the kind in the United States ever built within the amount of the first original appropriation. It was noble structure of yellow sandstone righly ornamented both inside and con-The loss is something over \$200,000. The solutions is something over \$290,000. The saddest part of the affair is that there was no insurance. The commission carnestly discussed the insurance question, but owing to the slip shod financial methods of the last legislative session, the Democrat-ic-White Caps openly boasting that they would criming the admistration that would cripple the administration, the funds available for the demands of the capitol commission fell short 40 per cent, and the capitol was not insured because the commission declined to run in deld
